

# June 2020 Newsletter

Alas – we are moving to Alert Level 1. This will lift restrictions on group sizes – so things can restore to some form of normality for club flying days at the Rotorua Aero Club.

## **Rotorua Club Flying Day – Sunday 21<sup>st</sup> June 2020**

We shall look forward to welcoming you to the Southern Hangers at the Rotorua Aero Club for a catch up.

Book your flights with Peter Rutledge from Aerohire - [peter@aerohire.co.nz](mailto:peter@aerohire.co.nz) if you would like to take to the skies.

The Chef will be in action and lunch will be served from 12.15pm.  
A \$5 Koha is always welcome for lunch.

## **Rotorua Young Eagles Program**

In May, we hosted 7 students at the Aero Club to offer a class on flying Straight & Level. With some time offered on the flight simulator to practice the techniques of flying straight and level. The part time tutors of Colin, Wayne and Peter B will be pleased to make way for the return of Peter Rutledge.

The Young Eagles program will run again on Sunday 21<sup>st</sup> June 2020 from 10am – 12pm.

With Covid-19 restrictions lifted – we will still maintain a contact tracing register; hand sanitiser will be available and sanitiser wipes available for cleaning the simulator between students.

Students, please RSVP your attendance to Angela your Young Eagles Coordinator.
